20 Years of
experience

Professional Bio:

Joy is an international development professional with over 20 years of experience, providing strategic technical expertise in the areas of good governance, gender equality, and civil society strengthening. She has managed large-scale portfolios across Africa, Asia, and Latin America with USAID, the World Bank, and CARE International (up to USD 100M), bringing a blend of expertise in program design, policy reform, monitoring and evaluation, and multi-stakeholder facilitation. Joy produces strategic analysis, evaluations, proposals, and policy recommendations to strengthen institutions at all levels.
